Part D Prescription Drug Benefits

Deductible Stage:

- The Deductible Stage is the first payment stage for your drug coverage. You will pay a yearly deductible of \$350 which applies to Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug) and Tier 5 (Specialty Tier) drugs. You must pay the full cost of your Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug) and Tier 5 (Specialty Tier) drugs until you reach the plan's deductible amount. The deductible doesn't apply to covered insulin products and most adult Part D vaccines, including shingles, tetanus, and travel vaccines. For all other drugs, you will not have to pay any deductible. The full cost is usually lower than the normal full price of the drug since our plan has negotiated lower costs for most drugs at network pharmacies.
- Once you have paid \$350 which applies to Tier 3 (Preferred Brand), Tier 4 (Non-Preferred Drug) and Tier 5 (Specialty Tier) drugs, you leave the Deductible Stage and move on to the Initial Coverage Stage.

Initial Coverage Stage:

- You begin in this stage after you meet your deductible (if applicable). During this stage, the plan pays its share of the cost of your drugs, and you pay your share of the cost.

- In this stage, you'll pay your plan copays or coinsurance. The plan pays the rest. Once you have paid a combined total of **\$2,400**, which includes the amount you paid towards your deductible, you move to the Catastrophic Coverage stage. You may get your drugs at network retail and mail order pharmacies.

Tier Drug Coverage	Standard Retail/LTC/Mail Order (31-day supply)	Standard Retail/Mail Order (90 to 100-day supply)
Tier 1 - Preferred Generic	\$0 copay	\$0 copay
Tier 2 - Generic	\$0 copay	\$0 copay
Tier 3 - Preferred Brand	25% coinsurance	25% coinsurance
Tier 4 - Non-Preferred Drug	27% coinsurance	27% coinsurance
Tier 5 - Specialty Tier	29% coinsurance	N/A
Tier 6 - Select Care Drugs	\$0 copay	\$0 copay

You won't pay more than \$35 for a one-month supply of each covered insulin product regardless of the drug tier, even if you haven't paid your deductible.

Catastrophic Coverage Stage:

- You enter the Catastrophic Coverage Stage when your out-of-pocket costs have reached the **\$2,400** limit for the calendar year. During the Catastrophic Coverage Stage, you pay nothing for your covered Part D drugs. You will stay in this payment stage until the end of the calendar year.

Additional Information About Drug Coverage

- For a complete list of the drugs we cover see the plan's **"Formulary"** and to see information about the cost of drugs see the plan's **"Evidence of Coverage"**. These documents are on our website, (www.floridablue.com/medicare/forms) or you can call us. If you request a formulary exception, and the plan approves it, you will pay **Tier 4 (Non-Preferred Drug)** cost-sharing.
- Your cost-sharing may be different if you use a Long-Term Care (LTC) pharmacy, a home infusion pharmacy, an out-of-network pharmacy, or if you purchase a long-term supply (up to 90 days) of a drug.
- Our plan covers most Part D vaccines at no cost to you including shingles, tetanus and travel vaccines.

Medicare Prescription Payment Plan

- The Medicare Prescription Payment Plan is a payment option to help Medicare beneficiaries spread out their out-of-pocket drug costs across the calendar year (January to December). Participation is voluntary and there is no cost to enroll. You can enroll in the payment plan by speaking with your Agent of Record (AOR) or by calling our dedicated Election support line at 1-800-926-6565 or 1-833-696-2087, (TTY – 711) 8am — 8pm ET Mon – Fri, (voicemails monitored on weekends), 8am — 8pm ET 7 days a week (during Annual Enrollment Period (AEP)).

Enrollment Forms

Steps that will walk you through
the process and **all the forms**
you need to enroll in your plan

Ready to sign up?

Have your Medicare ID card handy, and let's get started!

Choose the way to enroll that's best for you.

Paper: Use the paper enrollment form provided. Once you are done filling it out, you can mail the form to Florida Blue. (One form must be filled out for each person who enrolls.)

Online: Use the online form at **floridablue.com/medicare**. You'll be guided through the process of completing and submitting the enrollment form and the system will prompt you if you left anything missing or incomplete.

Licensed Sales Agent: An agent can help you choose the best plan for YOU and can also offer you help in filling out and submitting the enrollment form. The agent will be employed by or contracted with Florida Blue and may be paid based on your enrollment in a plan.

- Visit your local Florida Blue Center or agent; or
- Call and speak with one of our agents at **1-855-217-4362** (TTY: 711).

Helpful tips for filling out your enrollment form.

- ✓ No matter which way you choose to enroll, make sure you don't skip any sections. If you leave out information, it may delay your start date.
- ✓ When choosing a plan, select only ONE plan name.
- ✓ Where requested, be sure to fill in the Part A and Part B effective dates from your Medicare ID card.
- ✓ If you choose an HMO plan, write in your choice for a primary care physician (PCP). If you do not write in your choice for a PCP, one will be assigned to you.
- ✓ If you are not signing up between October 15 and December 7, be sure to complete the "Attestation of Eligibility for an Enrollment Period" section.

Forms Used for Enrollment

Pre-Enrollment Checklist

This form provides important information you need to know before purchasing a plan.

Individual Enrollment Form

This is the form you complete to enroll in a Florida Blue Medicare Advantage plan. There may be more than one version of the enrollment form included. Look for the version that includes the name of the plan you chose.

Protected Health Information Authorization for Customer Service Inquiries

Complete this form if you need to give us permission to release your health information to someone. Send the original, not a photocopy, with your enrollment form. Otherwise, we will protect this information and release it only to you.

Scope of Sales Appointment (SOA) Confirmation Form

According to Medicare guidelines, agents can talk to you only about products you choose to discuss. Medicare asks you to complete an SOA form that shows which Medicare Advantage and/or Medicare Prescription Drug plans you wish to discuss. The form is intended to protect you. Completing the form does not mean you have enrolled in a plan. Your agent can complete this form with you by phone instead of using a paper copy.

Enrollment Verification Checklist

When you meet with an agent to enroll in a plan, the agent will look up how your plan covers medications that you take (including cost, tier and requirements/limitations). Your agent will also look up providers you use to see if they are in your network. Your agent will fill out this information on an enrollment verification checklist they provide and that you can take with you.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-855-601-9465 (TTY: 711).

Understanding the Benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit **floridablue.com/medicare** or call 1-855-601-9465 (TTY: 711) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctors) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select new doctors.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ Except in emergency or urgent situations, we do not cover services provided by out-of-network providers (doctors who are not listed in the provider directory).

If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare (or the RRB). DON'T pay BlueMedicare Classic, BlueMedicare Preferred, BlueMedicare Premier, BlueMedicare Premier Plus, FHCP Medicare Classic or FHCP Medicare Rx Plus the Part D-IRMAA.

I get monthly benefits from: ☐ Social Security ☐ RRB

The Social Security/RRB deduction may take two or more months to begin after Social Security or RRB approves the deduction. In most cases, if Social Security or RRB accepts your request for automatic deduction, the first deduction from your Social Security or RRB benefit check will include all premiums due from your enrollment effective date up to the point withholding begins. If Social Security or RRB does not approve your request for automatic deduction, we will send you a paper bill for your monthly premiums.

If you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA), you must pay this extra amount in addition to your plan premium. The amount is usually taken out of your Social Security benefit, or you may get a bill from Medicare (or the RRB). DON'T pay BlueMedicare Classic, BlueMedicare Preferred, BlueMedicare Premier, BlueMedicare Premier Plus, FHCP Medicare Classic or FHCP Medicare Rx Plus the Part D-IRMAA.

Scope of Sales Appointment Confirmation Form

The Centers for Medicare & Medicaid Services requires agents to document the scope of a marketing appointment prior to any face-to-face sales meeting to ensure understanding of what will be discussed between the agent and the Medicare beneficiary (or their authorized representative). All information provided on this form is confidential and should be completed by each person with Medicare or his/her authorized representative.

Please initial below beside the type of product(s) you want the agent to discuss.

_____	☐	Stand-alone Medicare Prescription Drug Plans (Part D)
Medicare Prescription Drug Plan (PDP) — A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans.		
_____	☐	Medicare Advantage Plans (Part C) and Cost Plans
Medicare Health Maintenance Organization (HMO) — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).		
Medicare Preferred Provider Organization (PPO) Plan — A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.		
Medicare Private Fee-For-Service (PFFS) Plan — A Medicare Advantage Plan in which you may go to any Medicare approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you – not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You will usually pay more to see out-of-network providers.		
Medicare Special Needs Plan (SNP) — A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.		
Medicare Medical Savings Account (MSA) Plan — MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

How to make the most of your Medicare Dollars

Stay In-Network

Be sure to select a doctor in your network. Except for emergency care, urgent care and dialysis services, you must go to in-network doctors to be covered. This is true even when the care you receive is medically necessary. Avoid unpredictable costs and have peace of mind by staying in your network.

How to find out which doctors, hospitals and pharmacies are in your plan's network:

There are a few ways to find out which doctors, hospital and pharmacies are in a plan's network. You can ask your agent for help, call Customer Service (see contact information on the Welcome page), or you can visit **floridablue.com/medicare** and follow these steps:

Use a Participating Pharmacy

Some of our participating chain pharmacies include:

Choose Generic or Lower-Tier Drugs

Reduce the amount you pay at the pharmacy by choosing generic or lower-tier drugs. New generic drugs become available nearly every day. Most generics, and many drugs in lower-cost tiers, work just as well as the brand or drugs in a higher-cost tier. Check with your doctor and discuss what options are best for you.

How to find out which drugs are covered:

You can find all covered drugs in the formulary, the list of drugs that your plan covers. It's also called a drug list or medication guide. To see our formulary, visit **floridablue.com/medicare**.
