What to consider before

Get started

- ✓ Make a list of your preferred providers.
- ✓ Have your current prescriptions handy.
- ✓ Note your current and upcoming needs, like appointments, procedures, testing and medical equipment.
- ✓ Consider any other benefits you use.

We're here to help you choose

Get the coverage you need, plus other benefits

To get the right coverage for you, there are a few things to consider.

Check out the plan's network.

- **See if your providers are in the plan's network.** In general, you'll pay \$0 when you visit these providers. But if you have a copay, you'll pay less when you stay in network.
- Confirm if you can go out of network or if the plan has a travel benefit.
- Check to see if your plan requires referrals for specialists.

Look at your prescriptions:

- **Find your medication in the plan's formulary (drug list).** This list includes common generic and brand-name drugs your plan covers.
- **Look for coverage rules.** Examples include step therapy or prior authorization (pre-approval) that you'll have to meet before the health plan covers your medication.

Keep in mind that the drug list has levels called "tiers." So it's good to know what tier your drugs are on and that drugs in each tier may have different costs.

- You'll have a **\$0 copay for covered Part D prescription drugs on Tiers 1 and 2 when you use in-network pharmacies.**

Learn more about coverage for the services you use regularly, including any benefit amounts (allowances) your plan offers.

Examples include:

- Primary care visits
- Specialist visits
- Routine testing/imaging
- Dental, vision and hearing coverage
- Diabetic supplies
- Medical equipment

Medicare 101

Understand how
your plan works

You're eligible for Medicare if you:

☒ Are age 65 or older

☒ Are under 65 and have certain disabilities

☒ Have a disability, end-stage renal disease (ESRD) or ALS (also called Lou Gehrig's disease)

Compare the differences

Original Medicare

Medicare Advantage (Part C) plan

Available providers and hospitals

You can go to any provider or hospital that accepts Medicare.

You may have to use a network of providers and hospitals.

Prescription drug coverage

You have to buy a separate Part D plan if you want or need prescription drug coverage.

You may not have to buy a separate Part D plan because it may include prescription drug coverage.

Total out-of-pocket costs

You may not have a limit on how much you pay out of pocket each year.

You can help lower your expenses — it caps your annual out-of-pocket costs for covered medical services.

Keep in mind

- You don't have to sign up for Original Medicare if you already get Social Security benefits or railroad retirement checks when you first become eligible for Medicare.
- You can sign up even if you don't plan to retire at 65. Contact Social Security about three months before you turn 65 to sign up for Medicare.
- You can ask your employer for guidance. If you have medical coverage through your employer, ask them if you should sign up for Part B when you're first eligible for Medicare.

Get to know the parts of Medicare

Parts A and B make up Original Medicare, which the federal government provides.

Part A

Hospital insurance:

- Covers inpatient hospital and rehabilitation facility care, including X-rays, surgeries and radiation treatment
- Also covers skilled nursing facility, hospice and home health care

Most people won't pay a premium for Part A.

Part B

Medical insurance:

- Covers outpatient hospital and home health care
- Also covers ambulance, provider and preventive services

You may pay a monthly premium for Part B. The premium is usually taken out of your Social Security check.

Parts C and D are offered by private insurers, not the federal government.

Part C

Medicare Advantage plan — an alternative to Original Medicare:

- Covers all of your Part A and B benefits
- May cover your prescription drugs, too (also known as Part D)
- Can include other benefits, like eyewear, hearing aids, wellness services and online tools and resources
- May require you to see in-network providers or specialists

You may pay a monthly premium for Part C. You must keep paying your Part B premium, too.

Part D

Medicare prescription drug plan:

- Covers your prescription drugs
- Is often included in a Medicare Advantage plan
- Can buy separately to go with Original Medicare

You may pay a monthly premium for Part D unless you qualify for Part D Extra Help.

When can I enroll in a Medicare Part C or Part D plan?

To ensure you'll always have coverage, it's important to know your enrollment period.

Initial Enrollment Period

Your IEP is the 7-month period that begins three months before your 65th birthday, includes your birthday month and ends three months afterward. There is an exception: if your birthday falls on the first of any month, your 7-month IEP begins and ends one month sooner.

Annual Enrollment Period

You can enroll in or change your Medicare plan from **October 15** through **December 7** each year.

Open Enrollment Period

If you're enrolled in a Medicare Advantage (Part C) plan, you may be able to change your plan from **January 1 to March 31. This is called the Open Enrollment Period.** You can change your plan only once during this time period.

Special Enrollment Period*

You may be able to enroll in or change Medicare plans if you:

- Lose employer coverage
- Qualify for or lose full Medicaid eligibility
- Move to a new service area
- Live in, or move in or out of an institution

If you have full Medicaid coverage, you may use a monthly Special Enrollment Period to switch to another Fully Integrated Dual Eligible Special Needs Plan or Highly Integrated Dual Special Needs Plan.

*Some life changes can qualify you for the Special Enrollment Period. Call us or check your enrollment form for more information.

Are your prescription drugs covered?

A formulary is a list of drugs your plan covers. Our formularies include many of the most commonly prescribed generic and brand-name drugs.

Visit us online for support

- Find the drugs you need on your plan's formulary, or ask your sales agent to help.
- Search for a network pharmacy near you.

Get your medicine delivered

If you sign up with the CVS Caremark® Mail Service Pharmacy, standard shipping is always free.

Our pharmacists check all orders for accuracy, then mail your medicine quickly and securely to you.

Know more about Part D drugs

You can get up to a 3-month supply of eligible Part D prescription drugs.

Plus, if you qualify for Extra Help, you'll be eligible to receive covered Part D prescription drugs on Tiers 1 and 2 for a \$0 copay at in-network pharmacies. Drugs on Tiers 3, 4 and 5 may have a copay.

Understanding Extra Help with your prescription drugs

Extra Help is a federal program that helps cover some to all of your out-of-pocket costs for your Part D prescription drug plan. Sometimes, it's called Low-Income Subsidy, or LIS.

If you're enrolled in both Medicare and Medicaid, receive Supplemental Security Income (SSI) or qualify for a Medicare Savings Program (MSP) — you may be eligible for Extra Help.

You can apply for Extra Help online

If you don't already get Extra Help, here's how you can apply. Go to **BenefitsCheckup.org** to submit your Extra Help application.

You can also find out if you're eligible for other benefits that can help with your health care and prescription costs.

To learn more about Extra Help, go to the **Summary of Benefits**. Or contact us or an licensed sales agent to help you apply.

About this plan

Aetna Medicare Full Dual Select (HMO D-SNP) is a D-SNP, or Dual Eligible Special Needs plan. This is a Medicare Advantage plan that covers prescription drugs. Our D-SNP is for people on Medicare who are also eligible for some level of Medicaid assistance. It replaces your Original Medicare coverage. You'll still have Medicare, but you'll get it through us instead of the federal government. We cover everything that Original Medicare covers, and we provide additional benefits and services too. Please take a moment to review the following important information:

- **Primary care provider (PCP):** We require that you select a network PCP to help coordinate your care. When you enroll, we'll ask which PCP you have chosen. If you don't choose a PCP, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal. Be sure to show your Aetna® member ID card when you visit a provider or pharmacy.
- **Network:** Our plan has a network of select providers to provide you with patient-centered care, coordinated services and enhanced provider communication. To locate a network provider you may contact Member Services or search the online provider directory.
- **Referrals:** Usually, your PCP must give approval before you use other network providers. You don't need a referral for emergency or urgently needed care.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Helpful resources:** To find provider directories, network pharmacies, and other plan information, visit [AetnaMedicare.com/H1609-075](https://www.aetna.com/H1609-075). For coverage and costs of Original Medicare, look in the *Medicare & You* handbook. View it online at [Medicare.gov/medicare-and-you](https://www.medicare.gov/medicare-and-you), or get a copy by calling 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) (TTY: [1-877-486-2048](tel:1-877-486-2048)), 24 hours a day, 7 days a week.

Better health is a team effort

With our Medicare Advantage Dual Eligible Special Needs Plan (D-SNP), you'll have a care team in your corner, ready to help you reach your best health and make life easier.

- Your **nurse care manager** is a single point of contact to help coordinate your care.
- Your **social worker** will link you to programs in your community and help with questions you have about social services.
- Your **care coordinator** will help schedule provider appointments, arrange rides, and work with you to meet your personal needs.
- We have teamed up with BeneLynk to assist you with your state Medicaid benefits and Extra Help for prescription drug assistance.

Extra Supports Wallet

Eligibility requirements	If you are diagnosed with one or more of the chronic conditions listed in the EOC and meet all other criteria, you may be eligible for additional benefits under our plan to help manage your overall health and wellness. Enrollment in the plan does not guarantee eligibility. You will receive special supplemental benefits after it is determined that you meet the eligibility requirements. However, you will not receive benefits for any time period before your eligibility was determined.
Benefits	After meeting all eligibility requirements, the \$316 monthly benefit amount in the Over-the-Counter (OTC) Wallet will change to the Extra Supports Wallet with additional spending categories. Qualified members can use this wallet to help pay for certain healthy foods, over-the-counter (OTC) health and wellness products, transportation, utilities, and personal care products. This will replace your OTC Wallet. You will not get any additional funds applied to your card. Approved products can be purchased in-store at authorized participating locations including CVS® retail locations (excluding locations inside other stores). You can also use the CVS Flex Benefits™ app, go online at CVS.com/Aetna, or shop by phone. Important: If you qualify, this wallet will be added to your current Aetna® Medicare Extra Benefits Card.

The benefit(s) mentioned are part of special supplemental benefits for the chronically ill (SSBCI). SSBCI conditions include but are not limited to: hypertension, hyperlipidemia, diabetes, cardiovascular disorders, and chronic lung disorders. Eligibility is determined by whether you have a chronic condition associated with the benefit(s) and you meet all other criteria. Even if you have a listed chronic condition, you may not necessarily receive the benefit because other eligibility and coverage criteria may apply. Standards and conditions vary for each benefit. Contact us to confirm the specific SSBCI condition requirements for the benefit(s) for this plan and determine your eligibility.

Recovery at Home Program

Eligibility requirements	If you have an acute inpatient facility stay due to a qualifying diagnosis, and an Aetna care manager determines you have an inability to complete and need assistance with at least one activity of daily living (ADL) and/or instrumental activity of daily living (IADL), you may be eligible for in-home support services offered through this program under our plan. Enrollment in this plan does not guarantee eligibility. If you qualify, a care manager will work with our authorized vendor, The Helper Bees®, to set up the in-home support services that must be used within 30 days of discharge and expire after the 30-day period ends.
Benefits	The Recovery at Home Program provides in-home support services up to 80 hours once per qualifying diagnosis, per year. The in-home support services can provide help with meal preparation, light housekeeping, medication reminders, and more.

About this plan

Aetna Medicare Partial Dual Select (HMO D-SNP) is a D-SNP, or Dual Eligible Special Needs plan. This is a Medicare Advantage plan that covers prescription drugs. Our D-SNP is for people on Medicare who are also eligible for some level of Medicaid assistance. It replaces your Original Medicare coverage. You'll still have Medicare, but you'll get it through us instead of the federal government. We cover everything that Original Medicare covers, and we provide additional benefits and services too. Please take a moment to review the following important information:

- **Primary care provider (PCP):** We require that you select a network PCP to help coordinate your care. When you enroll, we'll ask which PCP you have chosen. If you don't choose a PCP, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal. Be sure to show your Aetna® member ID card and, if you are supplied with one, your state Medicaid ID card when you visit a provider or pharmacy.
- **Network:** Our plan has a network of select providers to provide you with patient-centered care, coordinated services and enhanced provider communication. To locate a network provider you may contact Member Services or search the online provider directory.
- **Referrals:** Usually, your PCP must give approval before you use other network providers. You don't need a referral for emergency or urgently needed care.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Helpful resources:** To find provider directories, network pharmacies, and other plan information, visit [AetnaMedicare.com/H1609-047](https://www.aetna.com/H1609-047). For coverage and costs of Original Medicare, look in the *Medicare & You* handbook. View it online at [Medicare.gov/medicare-and-you](https://www.medicare.gov/medicare-and-you), or get a copy by calling 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) (TTY: [1-877-486-2048](tel:1-877-486-2048)), 24 hours a day, 7 days a week.

Better health is a team effort

With our Medicare Advantage Dual Eligible Special Needs Plan (D-SNP), you'll have a care team in your corner, ready to help you reach your best health and make life easier.

- Your **nurse care manager** is a single point of contact to help coordinate your care.
- Your **social worker** will link you to programs in your community and help with questions you have about social services.
- Your **care coordinator** will help schedule provider appointments, arrange rides, and work with you to meet your personal needs.
- We have teamed up with BeneLynk to assist you with your state Medicaid benefits and Extra Help for prescription drug assistance.

Are you eligible to enroll?

To join **Aetna Medicare Partial Dual Select (HMO D-SNP)**, you'll need to meet the following criteria:

- Be entitled to Medicare Part A
- Have Medicare Part B
- Be in a "Medicare Savings Program" (MSP) or qualify for state Medicaid benefits. See the table below for eligibility categories.
- Live in the plan's service area, which includes the following counties:

About this plan

Aetna Medicare Full Dual Select (HMO D-SNP) is a D-SNP, or Dual Eligible Special Needs plan. This is a Medicare Advantage plan that covers prescription drugs. Our D-SNP is for people on Medicare who are also eligible for some level of Medicaid assistance. It replaces your Original Medicare coverage. You'll still have Medicare, but you'll get it through us instead of the federal government. We cover everything that Original Medicare covers, and we provide additional benefits and services too. Please take a moment to review the following important information:

- **Primary care provider (PCP):** We require that you select a network PCP to help coordinate your care. When you enroll, we'll ask which PCP you have chosen. If you don't choose a PCP, we'll assign one to you. You can change your PCP anytime by calling us or logging into your member portal. Be sure to show your Aetna® member ID card when you visit a provider or pharmacy.
- **Network:** Our plan has a network of select providers to provide you with patient-centered care, coordinated services and enhanced provider communication. To locate a network provider you may contact Member Services or search the online provider directory.
- **Referrals:** Usually, your PCP must give approval before you use other network providers. You don't need a referral for emergency or urgently needed care.
- **Prior authorizations:** Your provider will work with us to get approval before you receive certain services or drugs.
- **Helpful resources:** To find provider directories, network pharmacies, and other plan information, visit [AetnaMedicare.com/H1609-078](https://www.aetna.com/H1609-078). For coverage and costs of Original Medicare, look in the *Medicare & You* handbook. View it online at [Medicare.gov/medicare-and-you](https://www.medicare.gov/medicare-and-you), or get a copy by calling 1-800-MEDICARE ([1-800-633-4227](tel:1-800-633-4227)) (TTY: [1-877-486-2048](tel:1-877-486-2048)), 24 hours a day, 7 days a week.

Enrollment in the plan does not guarantee eligibility. You will receive special supplemental benefits after it is determined that you meet the eligibility requirements. However, you will not receive benefits for any time period before your eligibility was determined.
Benefits	After meeting all eligibility requirements, the \$183 monthly benefit amount in the Over-the-Counter (OTC) Wallet will change to the Extra Supports Wallet with additional spending categories. Qualified members can use this wallet to help pay for certain healthy foods, over-the-counter (OTC) health and wellness products, transportation, utilities, and personal care products. Eligibility is determined by whether you have a chronic condition associated with the benefit(s) and you meet all other criteria. Even if you have a listed chronic condition, you may not necessarily receive the benefit because other eligibility and coverage criteria may apply. Standards and conditions vary for each benefit. Contact us to confirm the specific SSBCI condition requirements for the benefit(s) for this plan and determine your eligibility.

Pre-enrollment checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-844-509-6254 (TTY: 711)**. From October 1 to March 31, we're here 8 AM to 8 PM, 7 days a week. From April 1 to September 30, we're here 8 AM to 8 PM, Monday through Friday.

Understanding the benefits

- ☐ The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs and benefits before you enroll. Visit **AetnaMedicare.com** or call **1-844-509-6254 (TTY: 711)** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ **If you're enrolling in a plan with prescription drug coverage:** Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ **If you're enrolling in a plan with prescription drug coverage:** Review the formulary to make sure your drugs are covered.

Understanding important rules

- ☐ **Effect on current coverage:** If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage health care coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- ☐ **If you're enrolling in a plan with a monthly premium:** In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month. The Part B premium is covered for full-dual members.
- ☐ Benefits, premiums and/or copayments/coinsurance may change on January 1, 2028.
- ☐ **If you're enrolling in an HMO plan:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ **If you're enrolling in a PPO plan or other plan that offers out-of-network coverage:** Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
- ☐ **If you're enrolling in a C-SNP plan:** This plan is a Chronic Condition Special Needs Plan (C-SNP). Your ability to enroll will be based on verification that you have a qualifying specific severe or disabling chronic condition.
- ☐ **If you're enrolling in a D-SNP plan:** This plan is a Dual Eligible Special Needs Plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.
- ☐ **If you're enrolling in an I-SNP plan:** This plan is an Institutional Special Needs Plan (I-SNP). Your ability to enroll will be based on verification that you, for 90 days or longer, have had or are expected to need the level of services provided in a skilled nursing facility, a nursing facility, an intermediate care facility for individuals with intellectual and developmental disabilities, a psychiatric hospital or unit, a rehabilitation hospital or unit, a long-term care hospital, a swing-bed hospital, or a facility approved by CMS that furnishes similar services.

Medicare Star Ratings

Plan ratings from
members, providers
and Medicare

Here's how Star Ratings work

The federal government (the Centers for Medicare & Medicaid Services, also known as CMS) uses information from member satisfaction surveys, plans and health care providers to rate Medicare Advantage plans and prescription drug plans (Part D).

Medicare Advantage plans are rated on how well they perform in these categories:

- ★ **Staying healthy (screenings, tests and vaccines)**
- ★ **Managing chronic (long-term) conditions**
- ★ **Plan responsiveness and care**
- ★ **Member complaints, problems getting services and choosing to leave the plan**
- ★ **Health plan customer service**

Each plan receives a rating from one star (lowest) to five stars (highest). Star Ratings are calculated each year and may change from one year to the next.

IMPORTANT INFORMATION:

2026 Medicare Star Ratings

Official U.S.
Government
Medicare
Information

Aetna Medicare - H1609

For 2026, Aetna Medicare - H1609 received the following Star Ratings from Medicare:

Overall Star Rating: ★★★★★

Health Services Rating: ★★★★★☆

Drug Services Rating: ★★★★★☆

Every year, Medicare evaluates plans based on a 5-star rating system.

Why Star Ratings Are Important

Medicare rates plans on their health and drug services.

This lets you easily compare plans based on quality and performance.

Star Ratings are based on factors that include:

- Feedback from members about the plan's service and care
- The number of members who left or stayed with the plan
- The number of complaints Medicare got about the plan
- Data from doctors and hospitals that work with the plan

The number of stars show how well a plan performs.

- ★★★★★ EXCELLENT
- ★★★★☆ ABOVE AVERAGE
- ★★★☆☆ AVERAGE
- ★★☆☆☆ BELOW AVERAGE
- ★☆☆☆☆ POOR

More stars mean a better plan – for example, members may get better care and better, faster customer service.

Stand-alone Medicare Prescription Drug Plans (Part D)

Medicare Prescription Drug Plan (PDP): A stand-alone drug plan that adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans.

Medicare Advantage Plans (Part C) and Cost Plans

Medicare Health Maintenance Organization (HMO): A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. In most HMOs, you can only get your care from doctors or hospitals in the plan's network (except in emergencies).

Medicare Preferred Provider Organization (PPO) Plan: A Medicare Advantage Plan that provides all Original Medicare Part A and Part B health coverage and sometimes covers Part D prescription drug coverage. PPOs have network doctors and hospitals but you can also use out-of-network providers, usually at a higher cost.

Medicare Private Fee-For-Service (PFFS) Plan: A Medicare Advantage Plan in which you may go to any Medicare-approved doctor, hospital and provider that accepts the plan's payment, terms and conditions and agrees to treat you — not all providers will. If you join a PFFS Plan that has a network, you can see any of the network providers who have agreed to always treat plan members. You'll usually pay more to see out-of-network providers.

Medicare Point of Service (POS) Plan: A type of Medicare Advantage Plan available in a local or regional area which combines the best feature of an HMO with an out-of-network benefit. Like the HMO, members are required to designate an in-network physician to be the primary health care provider. You can use doctors, hospitals, and providers outside of the network for an additional cost.

Medicare Special Needs Plan (SNP): A Medicare Advantage Plan that has a benefit package designed for people with special health care needs. Examples of the specific groups served include people who have both Medicare and Medicaid, people who reside in nursing homes, and people who have certain chronic medical conditions.

Medicare Medical Savings Account (MSA) Plan: MSA Plans combine a high deductible health plan with a bank account. The plan deposits money from Medicare into the account. You can use it to pay your medical expenses until your deductible is met.

Medicare Cost Plan: In a Medicare Cost Plan, you can go to providers both in and out of network. If you get services outside of the plan's network, your Medicare-covered services will be paid for under Original Medicare but you'll be responsible for Medicare coinsurance and deductibles.

Medicare Medicaid Plan (MMP): An MMP is a private health plan designed to provide integrated and coordinated Medicare and Medicaid benefits for dual eligible Medicare beneficiaries.

Dental/Vision/Hearing Products

Plans offering additional benefits for consumers who are looking to cover needs for dental, vision or hearing. These plans aren't affiliated or connected to Medicare.

Supplemental Health Products

Plans offering additional benefits; payable to consumers based upon their medical utilization; sometimes used to defray copays/coinsurance. These plans aren't affiliated or connected to Medicare.

Medicare Supplement (Medigap) Products

Plans offering a supplemental policy to fill "gaps" in Original Medicare coverage. A Medigap policy typically pays some or all of the deductible and coinsurance amounts applicable to Medicare-covered services, and sometimes covers items and services that aren't covered by Medicare, like care outside of the country. These plans aren't affiliated or connected to Medicare.

Scope of Appointment documentation is subject to CMS record retention requirements.

Aetna Medicare is an HMO, PPO plan with a Medicare contract. Our D-SNPs also have contracts with State Medicaid programs. Enrollment in our plans depends on contract renewal. SilverScript is a Prescription Drug Plan with a Medicare contract marketed through Aetna Medicare. Enrollment in SilverScript depends on contract renewal.

Additional notes about payment and options

- Social Security will contact you if you have to pay a Part D-Income Related Monthly Adjustment Amount (Part D-IRMAA). You'll have to pay this extra amount as well as your plan premium. You will either have the amount withheld from your SSA or RRB benefit check, or be billed directly by Medicare or the RRB. **Do not send your Part D-IRMAA payment to us.**
- Written EFT terminations must be received before the 1st of the month of the EFT transaction. EFT transactions will occur on the 10th of the month in the amount of the balance due.
- If you owe a late enrollment penalty, you can pay the penalty by EFT, mail or have it taken out of your SSA or RRB benefit check.
- People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. Medicare could pay for 75% or more of your drug costs, including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify won't have a coverage gap or a late enrollment penalty. Many people qualify for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office, or call Social Security at **1-800-772-1213 (TTY: 1-800-325-0778)**. You can also apply for Extra Help online at **ssa.gov/medicare/part-d-extra-help**.
- If you qualify for Extra Help with your Medicare prescription drug costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

The benefit(s) mentioned are part of special supplemental benefits for the chronically ill (SSBCI). SSBCI conditions include but are not limited to: hypertension, hyperlipidemia, diabetes, cardiovascular disorders and chronic lung disorders. Eligibility is determined by whether you have a chronic condition associated with the benefit(s) and you meet all other criteria. Even if you have a listed chronic condition, you may not necessarily receive the benefit because other eligibility and coverage criteria may apply. Standards and conditions vary for each benefit. Contact us to confirm the specific SSBCI condition requirements for the benefit(s) for this plan and determine your eligibility.
